

OPPOSING LAWYERS ARGUE IN FORD SUIT

Admissibility of "Preparedness" Evidence Disputed in Court

TESTIMONY IS HELD UP

By the Associated Press

Mount Clemens, Mich., July 21.—The second week of the appearance of Henry Ford as a witness in his \$1,000,000 libel suit against the Chicago Daily Tribune opened today with a long argument on scope of cross-examination, particularly where it involved preparedness.

All last week Mr. Ford was questioned as to the three advertisements which were published under his name, all opposing army and navy increases, and as to interviews to the same effect published by John Reed and Edward Marshall, magazine writers, and given to newspapers by Henry A. Wise Wood.

Elliott G. Stevenson, senior counsel for the Tribune, questioned Mr. Ford as to the witness as to the assertions in the advertisements and the quotations in the magazine and newspaper articles, which question much he was by a roundabout method made addresses urging preparedness in 1916.

Alfred Linking and Alfred G. Murphy, attorneys for Mr. Ford, had a barrage of questions between the Tribune lawyer and their client, asserting that Mr. Stevenson was covering old ground over and over again, and that that President Wilson said when being in the preparedness evidence interdicted by the court.

MANNHEIM'S BODY IS HOME

French Army Sergeant Was Murdered by Germans in Berlin

Paris, July 21.—(By A. P.)—The body of Sergeant Paul Mannheim of the French army, who was murdered in Berlin on July 17, arrived in Paris at 6 o'clock this morning.

The French Government recently sent a note to Berlin demanding 1,000,000 francs (\$250,000) indemnity for the murder of Sergeant Mannheim and an additional sum to Mannheim's family.

Germany, in reply, refused to pay the indemnity, but pointed out that, in the apology forwarded before receipt of the French note, Germany had agreed to reimburse the family of the murdered soldier.

The German Government added that if France was not satisfied with the offer, Germany was willing to leave the matter to a mixed court of arbitration.

Senate in Clash on Wilson's Move

Interest is selfish, I think that they are contributing to the peace of the world. Demands for the regular order of business by Senator Thomas, Democrat, Colorado, closed the discussion, and delivery of set speeches on the treaty was begun, with Senator Pomerene, Democrat, Ohio, arguing for ratification of the pact by the Senate.

Before the debate began Senator Jones, Democrat, New Mexico, offered a resolution which would request the foreign relations committee to open to the public all its sessions at which the treaty was considered except when such subjects came up as would, in the committee's judgment, demand closed sessions in the public interest.

Address by Pomerene

In a prepared address, crowded with constitutional and legal arguments, Senator Pomerene said the league was not a sure preventive of wars, but would tend to prevent war, and could be amended as experience required.

"No friend of the league has ever claimed that it would be a panacea against all future wars. But we have an abiding faith that when the nations of the world, leagued together, pledge themselves to suspend warfare that international disputes can be submitted either to arbitration or to investigation and publicity incident thereto, it will materially reduce the chances of war."

NEGROES AT CAPITAL FIRE UPON SOLDIERS

Shots Aimed at Wounded Men in Hospital All Go Wild

Washington, July 21.—(By A. P.)—Just about noon today the negroes involved in Sunday night's riot race riots gave the first evidence of retaliation.

Four blacks in an automobile drove up to the naval hospital in Potomac Park, not far from the White House and fired four shots at the center.

The police authorities said that 250 soldiers and marines would aid in the police in controlling the streets tonight.

The federal government intervened today to prevent a recurrence of the attacks made Saturday and Sunday night by soldiers, sailors and marines against negroes in retaliation for assaults by the negroes.

ONE MAN IS KILLED, SECOND BADLY HURT, IN MOTORCAR CRASH

Elmer Norcross, of Folsom, N. J., Meets Death When Two Big Machines Collide

Continued From Page One

One man was killed and another seriously injured early this morning when two automobiles crashed at a street crossing near Folsom, N. J.

Elmer Norcross, of Folsom, N. J., was killed outright and Luke Whittemore, of the same place, was hurt in the accident.

The other car was occupied by five negroes of Camden, two of whom, Norman Crowell and E. W. Crowell, were arrested and are being held to await the action of county authorities.

Which car crashed into the other is not known, as all the occupants give inconsistent accounts of the accident.

There were two young Folsom women in Whittemore's car, whose names are being withheld, and who escaped injury.
